FORREST L. SCEGGELL, Tax Collector

**DIVISION OF MUNICIPAL ACCOUNTING
DEPARTMENT OF REVENUE ADMINISTRATION**

LETTER OF TRANSMITTAL

Board of Selectmen
Milton, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of Emma P. Ramsey, Tax Collector of the Town of Milton, which was made by this Division under the provisions of R.S.A. 41:36. The examination covered the period from January 10, 1973 to March 5, 1974.

AUDIT PROCEDURE

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records.

Our examination disclosed that as of March 5, 1974, the Tax Collector had net overremittances in the amount of \$409.81, as indicated herewith:

Cash Over:

Property Taxes:

1973 Levy	\$207.33
1972 Levy	180.07
1971 Levy	82.91
	<u>-----</u>

\$470.31

Cash Short:

Property Taxes — 1970	\$ 50.50
Resident Taxes — 1972	<u>10.00</u>

60.50

Net Cash Over

\$409.81

In our opinion, this situation is a result of bookkeeping errors and is not refundable to the Tax Collector until proven otherwise.

Conclusion:

The provisions of Chapter 71—a, Section 21, require that the

auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Milton for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante
Director

DIVISION OF MUNICIPAL ACCOUNTING
DEPARTMENT OF REVENUE ADMINISTRATION

AUDITOR'S REPORT

We have examined the books of the Town Clerk, Town Treasurer, Selectmen, Trustees of the Trust Funds, Revenue Sharing Accounts, the Accounts of the Ira S. Knox Fund (Durgin Estate), Milton Mills Library Accounts, and Milton Ambulance Accounts. We find these to be correctly cast and correct to the best of our knowledge and belief.

We have examined all of the warrants issued to Forrest Sceggell as Tax Collector, his records and accounts. We commend him for the completeness of all accounts, and we found them to be correctly cast and correct to the best of our knowledge and belief.

We are grateful for the cooperation extended to us by everyone audited.

Recommendations: Payroll sheets for town officers need to be submitted for payment; invoices were attached to the vouchers in most cases; and payments should be made from invoices rather than statements to avoid duplication of payments.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A. M. and 5 P. M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

RURAL DISTRICT HEALTH COUNCIL ANNUAL REPORT

January 1, 1974 – December 31, 1974

The Rural District Health Council has experienced another year of growth and reorganization in 1974. The continued success of this program lies in the dedication of the agency personnel, and the capable professional staff assures the availability of quality care.

Skilled nursing service is still the major part of the program, and as more people become aware of the value of home care, demands for the service increase. These services are provided by Mrs. Barbara Drew, R. N. of Farmington, Mrs. Myrtle Walsh, R. N. of Milton and Mrs. Lucy Myers, R. N., B. S. of Deerfield. Mrs. Evelyn Therrien, R. N. of Barrington has also been working on a part-time basis. Mrs. Kathleen Hansen, RPT of Epping continues to provide physical therapy when ordered.

Mrs. Ardala Houle, R. N. of Rochester has been the Agency Co-ordinator and Clinic Supervisor. In this capacity she is the liason between the Rural District Health Council, area hospitals and other community health agencies. She is also the leader of the clinic team.

As a result of the increased interest and services in the Maternal and Child Health Program, Miss Arlene Thorne, R. N. of Strafford is now employed full time as the agency Maternal and Child Health nurse ensuring more continuity of care in this specialty. Mrs. Bernadette Cameron, R. N. of Deerfield, a new member of our staff, has been organizing prenatal and parenting discussions which are conducted at each clinic. The Rural District Health Council works in cooperation with the N. H. State Department of Public Health in offering Well Child clinics for children from 0-6 years. Again this year, through the cooperation of the N. H. Bureau of Dental Public Health, a dental clinic was held for the children from 3-6 years who are enrolled in the Well Child Program. The agency has also worked cooperatively with the school nurses in the member towns to assure that the immunizations of all students are updated. The Rural District Health Council is an active participant in the Maternal and Infant Care program of the Strafford County Prenatal and Family Planning Association. The agency also works closely with the Exeter Area Family Planning Association. As a result of these changes, a more comprehensive program is now being offered by the Council.

Early in the year, the Rural District Health Council was approached by the Senior Citizen group in Farmington requesting an ongoing screening for its members. As a result, two times each month, agency nurses are present at the Senior Citizen Meeting Room in the Farmington Town Hall to check blood pressure, pulse, respiration, height, weight, urine and hemoglobin, and to do nutrition counseling. This has been greatly appreciated by the participating members. A similar program is being initiated in Northwood through the cooperation of the Northwood Plus 55 Club.

During October and November, successful Adult Screening clinics were held in Farmington and Northwood in cooperation with the Special Services of the Department of Public Health, local organizations, American Cancer Society, Portsmouth Rehabilitation Center, and Health professionals. These were open to any area person wishing to attend.

The office procedures of the Rural District Health Council are ably handled by Mrs. Norma Davis, Bookkeeper, and Mrs. Eleanor Eaton, Secretary, both of Farmington.

The Rural District Health Council is supported by the funds contributed by the member towns at an annual rate of \$1.00 per capita, state grants and fees for service. Anyone interested in the program or needing service is asked to contact the office in Farmington, P. O. Box 563, 6 South Main Street, Telephone 755-2989.

SCHOOL BOARD

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the High School Auditorium in said district on the first day of March 1975, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To see if the district will vote to appropriate a sum of money for constructing, originally equipping and furnishing an addition to the present high school, to determine whether this appropriation shall be raised by borrowing or otherwise, or to take any other action relative thereto.
2. To see if the district will vote to become a member of the Strafford Learning Center and receive the benefits of its services at a cost to the district of two dollars per pupil. The cost to this district will be \$1,166.99 for the 1975-1976 school year.
3. To see if the district will vote to raise and appropriate the sum of \$5,000.00 for a contingency fund as provided by the New Hampshire Revised Statutes Annotated, 196:4B.
4. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district.
5. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies.

REPORT OF THE SUPERINTENDENT AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Milton School District:

Enrollment in the Milton Schools as of September 20, 1974, was as is indicated in the following chart.

* Milton discontinued accepting tuition pupils in 1971, due to the need to provide space for the Milton residents. The five remaining tuition pupils will graduate with this class in June.

In addition to the above pupils, the Milton School District is educating seven handicapped pupils at Great Bay School and Training Center and one is receiving home instruction. There are also four residents being educated at the Dover Area Vocational School at District Expense. These assignments were made under the provisions of R. S. A. 186-A and 188-E of the state educational laws.

Several members of last year's teaching staff left the Milton School System at the end of the school year in June, 1974, and replacements have been found. There have been additional staff members authorized either by District action or as a result of Federal legislation. This activity has been summarized below.

<u>Replacement</u>	<u>Replaced</u>	<u>Grade or Subject</u>
Miss Susan Tierney	Additional	1
Miss Joyce Nutter	Mrs. Mary Jane Callahan	3
Mrs. Gail Oliver	Miss Ellen McNiff	4
Mr. Richard Soule	Miss Susan Tierney	5/6 Mathematics
Mrs. Virginia Phinney	Miss Noella Frechette	5/6 Social Studies

Mrs. Betty Hughes	Mrs. Jean Broderick	Music, part time
Miss Susan Bandman	Miss Nancy Emmert	English
Mrs. Doris Chase	Miss Christine Batakis	7-Mathematics
Mr. Roland Maheu	Mr. Neal McLaughlin	Principal, Nute
Mrs. Patricia Silvestro*	Additional	Title I Early Child- hood
Mrs. Ann O'Connell*	Additional	Title I Early Child- hood
Mrs. Sheila Walsh*	Mrs. Karole Hughes	Learning Disabili- ties
Mrs. Sarah Herndon*	Mrs. Patricia Silvestro	Learning Disabili- ties Aide

- * Learning Disabilities is a Title I Project shared with the Wakefield School District. The early childhood trainees are a part of the same project working exclusively with the grade 1 teachers at Milton Mills School. This project is Federally funded out of the Supervisory Union Office.

The Milton School System continues to be plagued by problems similar to those encountered in nearly all schools. In the opinion of the writer, there are two problems which deserve a high priority in attempting to find suitable solutions. There are many needs, the most pressing at this time are those which have to do with attracting and holding good staff members, and those which have to do with space. Of these, perhaps the lack of adequate space is of higher concern at this time. Many of the classrooms are below standard size which makes it impossible to make the most effective use of the present dedicated staff. As may have been noted by the reader of this report, the size of classes in the Grammar School is, in many instances quite small, but this is due to lack of room, not to lack of quality staff. Though less obvious, the same is true at Nute. Teachers who may be working with twenty students or less now could be equally effective with a twenty-five percent increase in class numbers. Some rooms are really only large enough for ten pupils, or fifteen by acceptable standards, yet there are more than this number in them. The accepted standard is thirty square feet per pupil. Some of the rooms are only a little over 400 square feet in size and should have no more than thirteen pupils in them. Some rooms have only one exit. There should be at least two for the sake of safety. The standard classroom size is 900 square feet. Very few rooms in the Milton Schools are of this size.

It is understood that the Milton Building Committee has been

working very hard to develop a solution to the space problem. It is very important that the Committee in its recommendations for the provision of space for the pupils be supported.

The other priority which deserves the serious attention of the District is that of recruiting and retaining good teachers. This was well put in the Graffiti feature of the Union Leader, December 24, 1974. "Good teachers cost more, but bad teachers cost the most." Though perhaps cryptic, the thought is valid. Teachers, as do all of us, understand the strains being placed on us by the economy as it is at present. Good teachers must be encouraged to stay in Milton. The Milton pupils must compete with people from all over the state and nation and deserve the best start in life that the voters of Milton can give them. A good education is of primary importance in life's competition. This can be helped by employing and rewarding good teachers. In casting your vote at the District meeting, please support the recommendation of the School Board for teachers' salaries and economic benefits. Your support will help to stabilize and improve the school system, and, most important, benefit the children and Milton.

In closing the writer would like to thank the pupils, staff, School Board, and citizens for their continued support, and especially commend them for their continued interest in and support of a good educational system for all of the children of Milton.

Respectfully submitted,

CHARLES H. MORGAN

PRINCIPALS' REPORT NUTE HIGH SCHOOL

It is my pleasure to deliver the principal's report for Nute High School.

My report must, of necessity, be general in nature as I have only been here a few short months. However, I do have some observations that I would like to share with you.

For a small high school, we offer students a great many choices in courses. This is made possible because of the mini-course program. I find that, in addition to offering more courses, the mini-course concept offers an opportunity for change not found in the more traditional approach. If for some reason a course must be changed, the change is made quite easily. The English, Social Studies and Home Economics departments are now utilizing mini-course concept.

Beginning with this academic year, we are no longer sending any new students to Dover's vocational program as Somersworth High School has been designated as our area vocational school.

While it is difficult to single out any one program for special attention, I feel that the work of Mrs. Hodgdon in the music department can not go unnoticed. As a teacher truly dedicated to her program and to her students, she is unexcelled.

Mr. Tomes as Guidance Counselor was responsible for instituting the Armed Services Testing program into the school system. All students in grades 9-12 were given the opportunity to take these tests which measure aptitude and special interests and abilities. 60% of our students voluntarily took part in this program.

Attendance, once again, is up over last year. At the present time we have 316 students in a school complex designed to house 230 students. We are presently ahead of our predicted enrollment of 310 students for the 1974-75 school year. We are growing at Nute better than 10% a year. Every available area in the school is utilized. The gym is used from 7:00 a.m. to 9:30 or 10:00 p.m. Every classroom is used for class programs or for other meetings. Our classes are over-crowded. Most of our teachers must hold academic classes while at the same time supervising study hall students. Many of the teachers teach two academic classes at the same time. The professional dedication exhibited by members of the Nute High staff is truly inspiring.

What are we doing about these conditions?

A building committee will present plans for the town to consider at the next town meeting. We are also looking into other short range solutions. We have consulted with the State Department of Education and with various educators at the local level and at the University of New Hampshire concerning alternative approaches. We have looked at double sessions and at the extended day approach. Some one of these or another approach will be presented in order to ease the over-crowding in the school.

We have no lunch program in the school. Your sons and daughters sit on the floor in the corridors, and the stair wells, and in the gym and eat their cold lunches.

A final word on over-crowding is in order.

While most people look to the grammar school in order to predict the future enrollment of Nute High School, it is a fact that we gain most of our student increase — population from the families that move into Milton.

I would like to take this opportunity to thank all of the fine people who have made me feel welcome in Milton and to Nute High School. I am impressed with your school board which is dedicated to achieving excellence in education at a cost which the town can afford. I'm impressed with the professional staff and with Mrs. Hall, truly a right arm to me, and to Hank Fields for making the building glow, and to the staff and parents who have been, on the whole, more than cooperative in helping us to strive for excellence in education.

Respectfully submitted,

Roland L. Maheau, Principal
Nute High School

PRINCIPALS' REPORT ELEMENTARY SCHOOL

This year our new faculty members are:

Miss Nutter who teaches 3rd grade, Mrs. Oliver who teaches 4th grade, Mrs. Phinney teaches Social Studies and Mr. Soule teaches Math in the departmentalized 5th and 6th grades. Miss Tierney has become the Readiness Teacher at Milton Mills, Mrs. Hughes teaches Music one day a week at the Elementary School, and Mrs. Hodgdon teaches Music full time this year, working with the Nute Band, Jr. Band, Milton Mills students and giving instrumental music lessons.

The following are programs which have been funded for us by Title I, E.S.E.A.:

LEARNING DISABILITIES PROGRAM:

This program is shared with the Wakefield School District. The Teacher is Mrs. Walsh and the Aide is Mrs. Herndon.

EARLY CHILDHOOD PROGRAM:

This program is done in cooperation with U.N.H. It involves two graduate students, Mrs. Silvestro and Mrs. O'Connell. It is being given at the Milton Mills School. It is designed to help students in grades 1 – 3 get a good start in school.

POET IN THE CLASSROOM:

This program has been sponsored by the New Hampshire Commission on the Arts. It involved Michael Heffler, a Poet, and lasted for ten weeks. Imagination and creativity in expression were stressed.

JOHN D. BUCKLEY
Principal

REPORT OF THE SCHOOL NURSE

Milton School Health Report 1973 – 1974

Pre-school registration was held in May in Milton. All children were given a series of tests, vision screening, health histories were taken and physical forms were given to all children. To comply with the State laws, every child must have a physical examination by a Doctor of his choice and be immunized for DPT, Polio, Measles, Rubella, and have a T. B. test prior to school entrance. It is very important that all of these requirements are completed and that the physical forms are returned on or before the first day of school.

Throughout the school year all 4th, 7th and 10th grade students, new students, and all students participating in school sports were given physicals by our School Doctor. Any student who wishes to go to their own Doctor for such physicals may do so.

In the spring all students in grades 10 – 11 – 12 were offered DT boosters. These were given without cost, administered by Dr. Quinn.

During the school year various health screenings are done including vision, hearing, height, weight, physicals.

The School Dental Clinic for grades 1 – 6 was held in the spring. Each child participating received instructions on good dental hygiene and nutrition and an examination, dental cleaning and a topical fluoride treatment was given. I encourage all children to take advantage of this inexpensive, convenient, very important program. Also as a part of our school Dental Program, all first graders are supplied with toothbrushes, paste and are supervised after lunch on brushing their teeth.

Health Education Services:

Films were shown throughout the year exposing students to various health problems including smoking, alcohol, nutrition, hygiene, venereal disease and drugs.

The Mother-Daughter Cancer Education Program, which includes 2 films followed by a discussion period, was again offered to all Senior girls and their Mothers.

In the spring about 20 Senior and Junior girls, Miss Daigle and

myself attended an all day symposium in Concord on Birth Defects sponsored by the March of Dimes. We all found this very enlightening and interesting – a well-spent day.

In June the first, second and third graders at Milton and Milton Mills enjoyed a puppet show "Seymour Safely for Bicycle and Traffic Safety" sponsored by the New Hampshire Optometric Association.

Last spring several teachers took the Red Cross Standard First Aid Course held at the High School. This is a worthwhile course for everyone and especially so for people working with large numbers of children.

A T. B. Clinic was held in April at the school for the benefit of the Teachers.

I wish to extend my thanks to everyone for their cooperation and help during the past year.

Respectfully submitted,

Joan Paige, R. N.
School Nurse

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Milton of which the above is a true summary for the fiscal year ending June 30, 1974, and find them correct in all respects.

REGINALD A. HILL

PUBLIC ACCOUNTANT

October 17, 1974

Milton School Board
Milton, New Hampshire

Board Members:

I have examined the books of the Treasurer of the School District of Milton for the fiscal year ending June 30, 1974.

I have found them acceptable as for accuracy; though the format of the books should be upgraded considerably. There is a discrepancy between the balance in the Treasurer's books and the bank reconciliation of the checking account of \$5,849.48. I have enclosed a photostat of my work papers of the bank reconciliation for future use. Please note the footnote at the bottom of bank reconciliation.

The correct balance of the checking account of the School District of Milton is \$37,646.59 as supported by the enclosed bank reconciliation.

<u>SECOND TERM</u>	January 5, 1976 to February 13, 1976	30 Days
<u>THIRD TERM</u>	February 23, 1976 to April 23, 1976	45 Days
<u>FOURTH TERM</u>	May 3, 1976 to June 23, 1976	<u>37 Days</u>
		185 Days

DAYS OUT

October 13	Columbus Day
October 17	Teachers' Convention
November 11	Veterans' Day
November 27–28	Thanksgiving Recess
February 16	Washington's Birthday Observance (see winter vacation)
April 26	Fast Day (See Spring Vacation)
May 31	Memorial Day

VACATIONS

December 22 to January 2	Christmas Vacation
February 16 to February 20	Winter Vacation
April 26 to April 30	Spring Vacation

NOTES

The above calendar provides for 185 days of school. This allows either five full days for staff development, or 10 half days for staff development purposes. Days missed due to storms, etc., would need to be recovered either during vacation periods, or by extending the number of sessions. If the Staff Development program is to be effective, it needs to be operated as a part of the contracted school year.
